Greetings to you, dear BewegungPlus church in Burgdorf city.

Me (Ivan) and my team from "House of Prayer" church in Rivne,Ukraine are very grateful and thankful for your support in our ministry. Thank you for giving opportunity, blessing and accommodation for Ukrainian team in your church, so they could cook and raise some funds for ministry in Ukraine. We are going through taught and hard times, but because of churches like yours we feel loved and encouraged. May God bless you abundantly. Through our ministry we are helping people who are suffering from war and are not able to afford basic life needs for themselves, they've lost a lot because of the situation in Ukraine.

Thank you for being a big part of this blessing to them.
